

**NIHSE PRIVATE LIMITED**  
**NATIONAL INSTITUTE OF HEALTH AND SAFETY ENGINEERING**

# DEPARTMENT of Engineering & Safety Management

## About Us

At NIHSE, safety is our passion to make the work place safer. We provide the most indispensable and essential safety training and solutions for the industrial world. With our services started, NIHSE has emerged as the leader in safety education. As much as we revere safety, it is our people and team work that are our most valuable assets. When NIHSE is chosen by an individual or by an organization, they will experience our enduring commitment to keep their safety knowledge improved with our relentless devotion to customer satisfaction.

We hold a prominent reputation in our field with our ability to deliver high-quality services with better value additions and it is which unremittingly motivates us to qualify our students through innovation and to grow along with them in creativity, quality, productivity and set exemplary ethical values.

In industries where innovation occurs with technologies and process in a persistent and changing pace, we value endurance and perseverance as high as adaptability to provide safety solutions.

# About us

We value your hard earned money. We invest and focus on quality and results than marketing and sales.

This enables Candidates to achieve top safety qualifications at the convenience of attending offline training at NIHSE Branches and online training from wherever there are!

We encompassed a wide range of corporates and industries offering them the real depth along with breadth in our safety offerings.

NIHSE PVT LTD Registered Under Ministry of Corporate affairs (Reg. No -051124) NIHSE is Certify by ISO 9001:2008 QMS& ISO 45001:2018 OHSMS Certify, Environment 14001:2004 Certify Institution. NIHSE Provide Various Vocational, Fire & Safety, Health & Safety, International Courses like Diploma, Post- Diploma, Advance Diploma, NEBOSH, IOSH, First Aid & OSHA etc.

## Industrial Training

The Industrial Training Method can be understood as the back bone of the New Education Policy. Under

Industrial Training Methods the students are Trained by the Industrial Houses on the International Standards and Curriculum designed as per the Industry Needs.

The students are provided On-the-Job Training along with stipends and payouts in some cases, helping students achieve Industry standards and become expert in their respective fields.

The Industrial Training methods also help students complete their higher education along with employment.

# Why Choose us

## Why Choose us

- Provide E-Learning Facilities
- Interview Classes after the course
- Course Provider of IOSH, OSHA
- Member of National Safety Council of India
- 100 % Practical Facilities
- Largest Practical LAB
- Affordable Fee Structure
- Real-world connections in the classroom
- An interactive multi-media-based learning environment
- Customized course materials with illustrative pictures and case-studies
- Consistent in achieving high passing percentage in International Courses
- Provide Personality Development Classes
- Provide Placement Assistance
- Our testimonials speak volume about us

## Future Prospective

**Career Prospects and Job opportunities For Fire and Safety Management professionals job opportunities are available in both sectors Government as well as Private. Some of the major sectors in which opportunities available are as follows :**

- Safety Engineer
- Safety officer
- Fireman
- Instructor
- Safety consultant
- Fire officer

- Station Master / Supervisor / In-charge
- Safety supervisor
- Government Firefighting department
- Oil companies
- Refineries
- Chemical plants

- Industries
- Electricity boards
- Fire Safety training institutes
- Construction firms
- Armed forces
- Government

**Fire and Safety professionals also have huge demand abroad. Industries in Gulf countries, Europe and USA are known to recruit safety professionals from India.**

# Fee structure for University

	Eligibility	Duration	Fee P/Y
<b>1 Certificate Programs</b>	<b>10th</b>	<b>6 Months</b>	<b>35,000</b>
Fire Safety/ Industrial Safety / Occupational Safety / Health, Safety and Environment			
Fire Man/ Fire Technician/ Disaster Management/ Food Safety			
<b>2 Diploma Programs - Fire Safety Management</b>	<b>10th</b>	<b>1 Year</b>	<b>60,000</b>
